SUMMARY

Growth and social media marketer who pairs content strategy with hands-on analytics. Grew a personal account to 13.4M+ monthly reach (May 2026) and led growth work for two organizations, lifting engagement 35% at Aasira and event attendance 40% at GDGoC. Final-year B.Tech Computer Engineering student (CGPA 8.45) who uses SQL, Power BI and A/B testing to measure what content works and scale it.

SKILLS

Social Media & Content: Instagram Growth Strategy, Content Strategy, Content Calendars, Content Creation, Community Management, Audience Engagement, Brand Messaging, Trend Analysis

Growth & Campaigns: Campaign Planning, Content Experimentation, A/B Testing, Cross-Platform Performance Tracking, Retention & Cohort Analysis

Analytics & Reporting: Power BI (DAX), Google Sheets, Excel, SQL, Python, KPI Dashboards, Hypothesis Testing

Design Tools: Canva, Figma

EXPERIENCE

Growth & Content Strategist — Aasira: STEM Beyond Labels

Jul 2024 – Feb 2026

- Owned the brand's Instagram and social presence end to end; planned and shipped 10+ content pieces aligned with brand messaging, growing audience engagement 35%.
- Built weekly growth dashboards in Google Sheets tracking performance across social platforms and the website, and used them to adjust content mix and posting schedule.
- Identified top-performing content formats through engagement analysis, shaping the content calendar and messaging direction.

Growth & Engagement Volunteer — Google Developer Groups on Campus (GDGoC) | [Member Badge](#)

Oct 2024 – Sep 2025

- Optimized social campaigns using engagement data, increasing event attendance 40% and content engagement 30%.
- Tracked platform-level reach and timing data to find which content and posting windows performed best, feeding results into campaign planning.

Independent Creator — Personal Social Media Brand

Ongoing

- Grew and manage a personal account reaching 13.4M+ monthly reach (May 2026) through a consistent content strategy and audience engagement.
- Run continuous format experiments, tracking reach and engagement trends and iterating on what performs.

ANALYTICS PROJECTS

Customer Churn & Cohort Retention Analysis | SQL, Python, Power BI, statsmodels | [GitHub](#)

- Analyzed 540K+ transactions with cohort analysis to find the early-stage churn window driving most revenue risk; validated signals with chi-square and t-tests and recommended retention actions.

Sales Performance KPI Dashboard | Power BI, DAX | [GitHub](#)

- Built an interactive dashboard with DAX-based KPIs (MoM growth, rolling averages) and drill-downs by region, category and time period.

CERTIFICATIONS

- Professional Diploma in Social Media Marketing & Management
- SQL & SQL for Data Analytics — Professional Certificate
- Data Science and Machine Learning Fundamentals — Udemy

ACHIEVEMENTS

- 2nd Place, ECell Eureka Competition Zonals (IIT Bombay ECell).
- [2025 Google Solution Challenge Participant](#); [Google 5-Day Agentic AI Vibe Coding Contributor](#).

EDUCATION

B.Tech, Computer Engineering — ABES Engineering College (AKTU)

2023 – 2027

CGPA: 8.45 | Coursework: Probability & Statistics, DBMS, Data Structures & Algorithms

Class XII: 81% | Class X: 92.4% — St. Thomas School, Indirapuram (CBSE)
